Brief description of project or thesis for which this account is required:

\_\_\_\_\_  
\_\_\_\_\_

Duration that access is required:

From (MM/DD/YY): \_\_\_\_\_ To (MM/DD/YY): \_\_\_\_\_

In signing this agreement, I agree to use my account on the computer system at the Data Management Group only for the usage stated above. I agree to obey all rules communicated to me, in particular, any procedures required to maintain system security. I will not permit any other person to use my account, nor will I use the account of another user. Although the Data Management Group will attempt to maintain service at all times and provide regular file back-up, the contents of all files generated are the responsibility of the user. In no event will the University of Toronto, the Joint Program in Transportation Data Management Group or any of its funding agencies, be liable for any indirect, special, consequential or other damages however caused. Finally, I understand that permission to use the system will be withdrawn if I do not abide by this agreement.
